

Tallest Yule Tree Has County Agog

Lemon Grove Review

Grove Man Gets National Honors

A Lemon Grove Naval Air Station man has won top national honors in the Navy-wide beneficial suggestions program for the 1951-1952 fiscal year.

Harold A. Seyboth, 1710 Drexel Drive, Lemon Grove, received top recognition and \$850 for his suggestion, and research and development of a portable test device for gaging strength of aircraft fabrics which saves the Navy an estimated \$100,000 a year.

The nation-wide recognition is given annually to the government department or agency showing the greatest annual increase in suggestion participation. During the fiscal year Navy employees offered 51,990 improvement proposals. Of these, 13,146 were adopted, resulting in actual savings to the taxpayer of \$8,414,182.

NIELSEN NAMED CHAMBER PRESIDENT

Roy Nielsen, Lemon Grove realtor and investor was named president of the Chamber of Commerce this week in an election at which four new board members sat. Nielsen won the seat over Jim Pearce and Dr. Donald Johnson.

Max Goodwin, publisher of the Review was named vice president.

Plans for the annual banquet were held in abeyance for one month.

Next meeting will be January 6th.

Hospital District Sets Policy

The Grossmont Hospital District in a board meeting early last week adopted a resolution to succinctly state the policy of the district, according to Homer Streich, member of the five man board. One resolution is that the board is to return the excess of its operating expenditures in the form of preferential discounts bona fide residents of the district.

It was also resolved that the hospital instigate a policy of space allocation on a preferential basis for bona fide residents of the district when facilities approach overcrowded conditions.

It is the intent of the district to publicize matters of policy as quickly as policy is formed, Streich reported.

Bob Browne Guest At Naval Ordnance Testing Station

Bob Browne, popular young local appliance dealer recently represented the REVIEW on a visit to a once-secret war installation. This is his story.

It looked like quite a large place to us as we came in for a landing and stepped off the plane at the U. S. Naval Ordnance Test Station, (N.O.T.S.) China Lake, Calif. This is a vast Naval station located 160 miles north west of Los Angeles. It covers 1000 square miles of flat desert floor and rugged mountains.

We were taken in heated busses to the Michelson laboratory for breakfast. The laboratory is one of the nation's finest research and development centers in use today. Built at a cost of over \$8,000,000 it was named for Dr. Robert Michelson, the first Nobel Prize Winner in Continued on page 5

CBS Switches to Station KFMB

The great radio programs of CBS will move to 550 on your radio dial on station KFMB Friday.

The move is unique in San Diego broadcasting history and marks the first time in San Diego that a radio network has moved its network facilities.

KFMB radio station officials pointed out that now such great radio shows and stars as Jack Benny, Our Miss Brooks, Amos and Andy, Art Linkletter's "People Are Funny," Ed Murrow, Lowell Thomas, Bing Crosby and many, many others will be heard over KFMB, 550 on your radio dial.

The CBS Radio Network is recognized for its outstanding programming content.

One of the first trailer court fashion shows in the county was held last week at the Leewood Trailer Court on Broadway near Massachusetts. Styles were those suitable for trailer court mode of living and included formal and informal wear.

The idea was developed by the Elizabeth Frances Shop 7896 Broadway. The fashion show was received with a large turnout. Shows here, Mrs. Mary Self models a white negligee.

More trailer court fashion shows will be held, Elizabeth Frances said.

Lens Found By Mac Queen

Lens from a pair of glasses was found in the alley near the Avalon Cafe by William MacQueen, cafe operator. If vision is dim through your glasses check first to see if the lens is missing then contact Mac.

John A. Kennedy, Chairman of the Board, and Howard L. Cherriff, General Manager of KFMB and KFMB-TV pointed out that now both KFMB radio station and KFMB-TV (Channel 8) are affiliates of the CBS Radio Network and CBS Television Network respectively.

Such favorite local shows and stars as Harold Keen, Molly Morse, Smokey Rogers, and the Sports Camera of the Air with Al Schuss and Al Kaye will remain on KFMB in their usual times, it was announced by KFMB station manager Hobby Myers.

Here is a partial list of famous CBS radio stars and shows now to be heard on KFMB: Arthur Godfrey, Bob Trout, Lux Radio Theatre, Life of Luigi, Hallmark Playhouse, The Whistler, Our Miss Brooks, Friend Irma, Vaughn Monroe, Gangbusters, What's My Line, Suspense and many others.

CBS Radio singing star Gene Autry and his western program will now be heard over KFMB Radio station, San Diego, as will all the other great CBS radio network stars and shows. All the fine CBS radio shows have come to KFMB, 550 on your radio dial.

New Members for Women's League

The Business Women's League of Lemon Grove met at the Women's Club House last Thursday and Mrs. A. J. Heubusch presided. Lunch was served to twenty-five members and guests by a committee of the Women's Club. Mrs. P. H. Tilton of Tilton's Machine Shop, Mrs. Ed Chaffee of the Dutch Cleaners, and Mrs. Rose Glickman, new owner of the Petite Shop, became new members. Guests were Mrs. Lawrence Wigfield, Mrs. E. E. Frank, and Mrs. Randolph Morse.

It was voted to give ten dollars toward buying ham for Campfire Girl Christmas baskets. A letter was read from Helix High School asking for help in providing books for their library. A motion passed to donate one particular book that the letter specified.

Final plans were made for the Christmas party for members at the Youth Center Saturday evening, Dec. 13th at 7:30.

The Beautification committee reported that a permanent Christmas tree had been purchased and planted in the Plaza north of Broadway. It is hoped that as years go by, it will grow into a beautiful big tree.

The Business Women have also taken on the responsibility of decorating the tree this year.

The next regular meeting will be January 15, 1953, at the Women's Club at 12:30 p. m.

Interest has been heightening over the coming decoration of the huge star-pine tree in the Grove business district.

Both the San Diego Union and the Tribune have arranged to have photographers on hand for the decorating.

The tree, a Chamber of Commerce project is expected to attract hundreds to the business community for the first time. Spokesmen believe that adjacent communities to the West which normally look toward San Diego for their shopping center will be attracted by the record size display.

The tree is on property owned by Tony Senka. Harry Griffin's medical center building will supply the electricity.

The tree, about 115 feet tall, will be decorated with about 500 lights and topped by a four foot star. The decorating firm is the same that did the Chula Vista and Ocean Beach decorations.

The tree is scheduled to be completed sometime Saturday but may not be ready for lighting until Monday according to the decorating firm.

The decorating expenses are being underwritten by local firms. A committee of the Chamber made up of Roy Nielsen, Dr. Donald Johnson, Mrs. H. Irving Verner, Wayne Johnson, Bob Gaudin and Max Goodwin is handling the collections.

Trinity Presbyterian Church News

The Hilltoppers square dance group will meet at the church on Friday at 8 p. m. for their evening of fun and dancing.

On Sunday evening at 7 p. m. all the church members will gather to sing Christmas Carol at the Vesper Service. Rev. Lawrence Wigfield will be the evening will be "The Coming of Christ."

The Women's Association will meet at the church at 11 a. m. on Tuesday, Dec. 16. Luncheon will be served at noon and there will be installation of officers by Rev. Rex Lawhead. The program will include special music with a Christmas theme.

NEW BOND ISSUE FOR GROSSMONT SCHOOL DISTRICT

The Grossmont Union High School District Board disclosed that their enrollment in 1953 would jump to 4200, in 1954 to 4500 and to 4800 in 1955. Since capacity of Helix and Grossmont combined is 3600 and on an overload basis is limited to 4300, the proposed new high school must be in operation by September, 1956.

Supt. Lewis Smith advised the board that a bond election to finance construction of the high school to be located in El Cajon should be scheduled in the next few months. The board deferred action pending further consideration but agreed that the new school should be built in time to prevent double sessions.

The board decided to study a number of new high schools in an effort to lower costs and to incorporate recent developments in the planning.

In a move to plan for future enrollment, the board approved preliminary steps to select sites for two more schools. One of these will provide for the rapid growth in the Spring Valley-Lemon Grove area, and the other will serve the Lakeside-Santee area.

RISTER IN ART SHOW

During the month of December, Ken Rister of Lemon Grove, and Howard Little of Chula Vista will be the guest artists exhibiting oil paintings in the Sunset Galleries, 200 Sunset Blvd., in Mission Hills, San Diego.

Tea will be served from 3 to 4 Sunday, December 14th.

An Art Mart will also be held in the gallery patio, December 13th & 14th from 1 to 5 where small unframed paintings may be purchased at a nominal price. Public invited.

MIL'S MUSINGS

Election Reflection. Even if you don't want to remember last Friday I would like to pass on this little gem that was heard in the business district as part of a conversation between two women. "I don't care what happens to the schools now, 'cause all my kids are grown up."

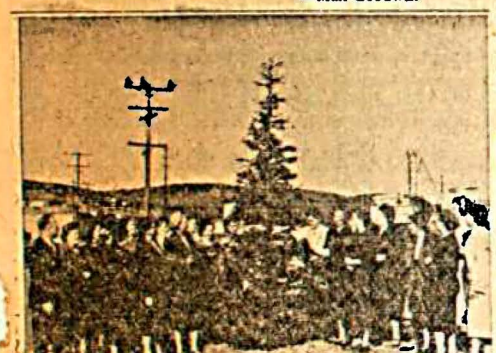

After receiving 3 petitions in 2 years asking for a four way stop at Bonita and Mt. Vernon streets (the scene of 5 accidents during this time), the county has evidently decided that maybe the requests were valid. Continued on Page 4

Five trophies were won in the North Park Toyland Parade by the Lemon Grove groups last Sunday. Large trophy is the first prize for community activity in the parade. The smaller trophy District Band Director is holding is for the float which showed the Band trophy. Donna Dreyer toys pouring out of a horn of holds the Pom Pom Girls trophy. Other trophies were for while Dorothy Lower, designer of Pom Pom Girls, the Majorettes, the winning float holds the float and the Band. Pictured here are some of the local citizens who helped in the project.

Garth Cashion instructs a class of young pupils in the use of a clarinet at his recently opened studios at 8325 Imperial, Lemon Grove. Cashion, well known musical instructor in this area has had pupils winning the top inter-scholastic ratings in this open every day.

The Business Women's League lend an air of festivity to the gathering at a ceremony in which local holiday scene. The tree is a 10 foot Christmas tree is pre-lit and becomes a permanent part of the community through the local Chamber of Commerce. Plans are to decorate the tree each Christmas.

Inside Goodwin

by Max Goodwin

The grisly harvest of death on
American highways continues to
grow in 1952. Up to this point in
the year, reports the National
Safety Council, 27,220 persons
have been killed in traffic acci-
dents—against 26,590 deaths listed
for the comparable period of 1951.

However, despite the bleakness
of the overall accident picture, a
good many American cities may
take pride in their achievements
in safety education and traffic
control. Of all cities of a million
and over population, Los Angeles
holds second place in accident
curtailment, with a record of 3.1
deaths per 10,000 registered
vehicles. Of cities in the 750,000-
1,000,000 class, San Francisco is
first—with a 2.5 ratio record in
deaths.

To Ventura goes the highest
achievement honor—the goal of
perfection. In its population
class, 10,000-25,000, Ventura has
gotten this far through 1952
without a single traffic death! It
shares this honor with only two
other U. S. cities in its division.

The most encouraging chal-
lenge of all comes from Little
Rock, Ark., which is in the 100-
200,000 division, and has not
had a traffic death on its streets.

Ceiling zero! If cities like Ven-
tura—and even of the size of
Little Rock—can achieve perfec-
tion, all the rest, of whatever size,
surely should be able to narrow
the gap separating them from
that goal.

Cancer Brochure Goes to Local Doctors

Lemon Grove physicians have
been mailed brochures to alert
them to the importance of early
detection of cancer. It was an-
nounced today by Dr. Willard
Newman, vice president of the
American Cancer Society in San
Diego.

The monograph is available to
all registered physicians without
cost and is entitled "Value of
Early Diagnosis of Malignant
Lymphomas and Leukemias."
Newman said. It was prepared
for the society by Dr. Lloyd C.
Craver, of the Memorial Cancer
Center in New York.

The monograph is part of a
continuous educational program
for physicians as well as the
public in a fight against the na-
tion's second worst killer, New-
man said.

One of the American Cancer
Society's objectives, he said, is to
make every doctor's office a
cancer detection center. Over 15-
000 physicians in California
alone receive free professional
educational aid from the society,
according to Newman.

Dividend Declared By Security Title

A regular semi-annual divi-
dend of 15c a share on its com-
mon stock has been declared by
Security Title Insurance Com-
pany, it was announced by
James R. Ford, executive vice
president.

Other dividends are: Prior Pre-
ferred, \$2.00 per share; and Pre-
ferred, \$2.25 per share. Dividends
are payable January 1, to stock-
holders of record December 12.

"This semi-annual dividend
action," Ford said, "is in con-
formity with Security policy of
reviewing earnings and financial
position at regular intervals and
declaring commensurate divi-
dends."

The firm maintains branch of-
fices in Fresno, Riverside, Santa
Barbara, San Luis Obispo, Stock-
ton, Hanford, Visalia, Madera,
Modesto, Merced, San Bernar-
dino, El Centro, Santa Ana, and
San Diego.

Citizenship Clubs Invite Hard Study

Many students at the Lemon
Grove Intermediate School be-
came members of one of the two
citizenship clubs at the school
last week when they received
their report cards. The highest
honor given to any student each
quarter is a membership in the
Gold Club. In order to qualify
for membership, a student must
have all "E" (or excellent) in
citizenship, with only one "S"
(satisfactory) mark allowed. The
second club is named the Green
Club. Membership in this group
is based upon a report contain-
ing all "E" and "S" marks. The
clubs are named for the school
colors.

In the sixth, seventh, and
eighth grades, the following
students qualified for the Gold
Citizenship Club: Connie Allen,
Kenneth Smith, Patricia Boone,
Mary Conlee, Antonia Kallis,

Water District To Buy Equipment

The La Mesa, Lemon Grove
and Spring Valley Irrigation Dis-
trict Board of Directors

took action to immediately
proceed with additions to the
Transmission facilities deliver-
ing water to the Spring Valley,
Casa de Oro and Helix Extension
higher pressure areas. Many con-
sumers have experienced low
water pressure due to heavy wa-
ter use by irrigators and in-
creased number of consumers.

M. J. Shelton, general manager
and chief engineer, submitted
an engineering study to the
board of directors and recom-
mended installation of automatic
equipment to control valves and
pumps and the installation of a
new 75 H.P. pump in the vicinity
of Campo Road in Casa de Oro to
deliver up to 2200 gallons per
minute more to the higher levels
south of that point. On motion
of Director Fenwick (Spring Val-
ley District) and unanimous ac-
tion of the Board, the recommen-
dation was approved and the
manager was instructed to pur-
chase the equipment.

Some Tips on Gambling

On a recent evening in Reno's Harrah's Club, two somewhat humorous attempts by amateurs to "beat the house" quickly defeated themselves. At one of the Blackjack tables, an over-ambitious player attempted to slip a blue ace in a red deck. The other incident occurred at the craps table when another would-be cheater attempted to switch the cubes and wound up making his "nine" the hard way... with three dice Moral... don't try to cheat if you're color blind or clumsy.

During the summer months when the tourists swarm into Reno, Harrah's uses upwards of 1000 decks of cards every thirty days. The dealer always breaks the seal of the new deck right under the eyes of the customers and then riffs them on the green baize table cover to show that they're unmarked.

With more than \$100,000 in cash on the premises at all times, Harrah's has yet to have a single armed guard on the payroll. They reason, how fast could you run and how far could you get with a couple of grand in silver dollars?

The little red dice with the white markings used in Harrah's cost \$1.50 a pair and are air-mailed at the rate of more than

1000 a month by the manufacturer in the east. The moment they show even the slightest scratch or mark they are taken out of play and replaced by a new pair. The old ones are bored, fitted with a key chain, and offered to the customers as souvenirs.

According to Bill Harrah, proprietor of the well-known gaming house, crooked professional gamblers are few in number and all well known by sight. It's the occasional amateur that crops up from time to time that they have to keep an eye out for. Their most common effort to "beat the house" by illegal methods occurs at the "21" or Blackjack tables with a marked or crimped card... Placing "late bets" at roulette runs a close second in popularity with would-be tricksters.

THANKSGIVING "FILLS THE AIR" with a special fragrance of turkeys roasting and pumpkin pies baking. Check over these tips for roasting the bird before you start the job:

1. After turkey is ready for oven, grease skin thoroughly with fat. And lay a fat-marinated cheese cloth over top of bird during roasting.
2. Place turkey on a rack in shallow pan.
3. Roast at a constant low temperature (325° F.).
4. To test doneness, move drumstick up and down—the leg joint should give readily.

FOR A SECOND DAY FEAST, use the remaining turkey or chicken in this fluffy-topped casserole:

Baked Turkey (or Chicken) Fufu
 1 can (1 1/2 cups) condensed cream of mushroom soup
 1 cup milk
 1 cup cubed cooked turkey or chicken
 2 cups cooked green beans, drained
 4 eggs, separated
 1 cup shredded American cheese

Combine soup and milk in a 1 1/2 quart casserole; add turkey (or chicken) and beans. Bake in a mod. oven (375° F.) for 10 minutes. Meanwhile, beat egg yolks well; add cheese. Beat egg whites until stiff and fold into egg cheese mixture. File fluffy egg topping on hot turkey (or chicken); continue baking for 30 minutes. Makes 6 servings.

MEALS IN A DASH are the custom just before the holidays. And you're ready for all of these if you have a full shelf of condensed soups. The family will smack lips over cream of chicken soup with egg salad sandwiches or tomato soup with open face melted cheese and bacon sandwiches.

WOMAN'S WORLD

Change Old Make-Up To Give Vitality And Sparkle to Face

HOW LONG is it since you took a good look at your make-up? A critical look, that is. Skin changes take place from time to time and it may be that the old rouge, lipstick, powder and eye shadow no longer "do" as much as they once did.

Or have you become a bit careless about applying make-up? It's easy to get into a rut about this because you do become experienced and may not be taking as much time as formerly with it.

Changes, too, are made in the art of applying make-up. Within recent years the lipstick brush has become a widely accepted aid to applying lip rouge so that the effect is much neater than formerly. A very definite change has been made in eye make-up, too. The eyes are played up much more than previously and the "doe-eyed" look is predominant.

In addition to these, there is also the thought that it is not just accidentally that women can be beautiful. There are so few really perfect faces, yet every woman can look more attractive than nature made her by learning to play up the good features and to tone down those imperfections which all of us have.

It isn't just by chance that certain make-up does something for any woman. It's the result of careful study, some trial and error, perhaps, and a great deal of care.

Apply cream upwards...
 Beauty is the reward that comes to the woman who cares enough about herself to make use of what's available in cosmetics as well as who is interested in learning just what she can do about her individual problems.

Don't Stretch Skin During Creaming

Before any woman can start to apply make-up of any kind, she has to start with a clean skin. This is achieved through proper elimination, for one thing, and that means there must be sufficient water as well as other liquids in the diet which must naturally be well-balanced.

Soap and water cleansings are essential, and so is cream cleansing. The type of cream preferred depends on your skin, normal, dry or oily. Age may play a part in the choice, too, for more mature women will need a cream which will furnish some oils to the skin which may be somewhat dried as the years go by.

Cream should always be applied in upward motions. Lines tend to show downwards naturally and so all motion should be gently upwards, thus helping to counteract this tendency.

Stroke as a firm pressure on all your strokes as you start and lighten them as you move the hands upwards. If you're using a liquid preparation then keep the cotton well moistened.

If you're 10 years or more past voting age, then you'll probably have to concentrate some of the massage and cleansing with

... use brush for lipstick.
 Creams on your neck and jawline. Use the same type of stroke as described above, for skin on the face as well as the neck and jaw is delicate and can be stretched if massage is improperly done.

Start the creaming at the neck and work upwards along the sides of the face.

Worried about lines in the forehead? Start at the tip of the nose working upwards, then finish with brisk strokes from center of forehead out, alternating.

Apply Color to Skin With Expert Touch

A foundation cream, lotion or a base of some kind will give the face smoothness which it requires for applying make-up as well blotting out small imperfections. Blend it carefully and carry it far enough in all directions so there is no demarcation line as to where it ends.

Receding china can be improved by using a lighter foundation on

Little Town Suit

This smart little suit by Mollie Parais is perfect in its simplicity and excellent with or without furs. The fabric is a sophisticated homespun in black and white with a knobby, nubbin finish. Note the velvet accents and the silhouette which is pear shaped and perfect.

the chin area. Do just the opposite if there is a prominent double chin. The latter show up because they catch the light.

Round faces should be played down as much as possible so use a darker foundation than the skin color. Avoid using rouge in circles and do not give the eyebrows a semi-circle arch. The mouth should be made up wide enough so there is no suggestion of a pout.

Heart-shaped faces do well with the natural eyebrow line. Blend the rouge from a high cheekbone point toward the temple, and lighten as it's carried down. Avoid rouge below the center of the cheek. Do not broaden the forehead with an improperly styled hair-do.

Those with long, heavy-jawed faces need the rouge applied in long, sweeping strokes away from the nose, blending in a circle in the cheek center with a very light hue of the rouge. Natural eyebrow lines should be emphasized but never exaggerated.

When wearing eye shadow it should come above the lashes to frame the eyes, with the shadow extended toward the brow on the outside only. Lip corners should be filled with color to modify heaviness of the jaws.

Here are Aids To Improve Mouth

Personality is reflected in the appearance of the mouth. If you've a tendency to sulk and pout, the mouth reveals it with a pouty or turned down look of the lips. Puckering, twitching and a sullen look are frequently reflected in the way the lips are set.

You can remedy much of the expression of the mouth by acquiring a healthy disposition. If any of the above faults are yours, study and correct your frame of mind or, in other words, mental health.

If the actual lips themselves are somewhat faulty in their proportions, lipstick applied expertly can do much to change this. When the lips themselves are within normal proportions, lipstick should be used to highlight and dramatize them, as is done with all good features that you have.

Make thick lips appear thinner by using color toward the center, blending it lightly toward the sides.

Thin lips can appear more full if you use rather bright lipstick, applying over the entire lip surface. If necessary, extend the lips just slightly, outlining the extension first, then filling in with a brush.

Do you have a wide mouth? Concentrate the lipstick at the center of the lips.

Is a straight upper lip your problem? Sketch in contour to make the lip more attractive and fill in with brush.

It's not difficult to use a brush in applying lipstick. A little practice will do the work very nicely.

Use Eye Make-Up Sparingly as Accent

Eyes should never give the appearance of looking "made up." Any eye make-up should be used sparingly and only as an accent, otherwise it may mar the appearance. If it looks obvious, this comes from using too much mascara, eye pencil or shadow.

Brown in these various eye aids to beauty may be a better shade for you than black, especially if you're fair. Blue, orchid and green shades in eye shadow are used mostly for evening when you can stand a bit more color.

Never try to change the natural eyebrow line. You may want to straighten the line and thus pick out stray hairs, but don't try to slant the brows if they tend in more of an arch.

Pencil for the lids is another device being used currently. Apply by drawing a line along the edge of the upper lid and carry a little upward at the outer corner. This gives a wide-eyed effect and adds sparkle to the eyes.

Scout Troop No. 380 Holds Ceremony

Twenty girls and three leaders Brownies welcomed the girls in of troop 380, were invested at the Sisterhood of Scouting. Ceremonies at the Youth Center Nancy Taylor told the Brownie recently. Betty Weaver gave the story and Andrea Post gave a welcoming poem. Color guards talk on what the symbol of the were: Joanna Post; Gloria Whit. World Flag represents.

Uebby, Carol Jean Pierce, Virginia Bagley, Nancy Chandler and Barbara Cooper.

Older sisters who are also Scouts will be entertained by Boy Scout Troop 168 of Lemon Grove. Plans of the annual Christmas Party have been announced by Scoutmaster Tom Brown. Boys from the orphanage will be brought to Lemon Grove on December 15th for a party which will include a planned program, games, and plenty of food. Gifts will be given by the Scouts to their guest as well as a large collection of clothing, food, and toys which will be given to the orphanage for distribution. Members of Troop 168 are handling all plans as well as making the collection of gifts. They expect an attendance of over 150 people.

Scouts To Give Orphans Xmas Party

Members of Nazareth Orphanage will be entertained by Boy Scout Troop 168 of Lemon Grove. Plans of the annual Christmas Party have been announced by Scoutmaster Tom Brown. Boys from the orphanage will be brought to Lemon Grove on December 15th for a party which will include a planned program, games, and plenty of food. Gifts will be given by the Scouts to their guest as well as a large collection of clothing, food, and toys which will be given to the orphanage for distribution. Members of Troop 168 are handling all plans as well as making the collection of gifts. They expect an attendance of over 150 people.

Fifth Of A Point Makes Helix Winner

Helix High School was Sweepstakes winner and first in its division at the 12th Annual All Western Band Review at Long Beach. Grossmont was a close second in the same division, being only 20/100 of one point behind. Grossmont also won the award of All-Western Drum Major, with the award going to Martha McDonald. Bonham Brothers Boys Band won in the Junior Sponsored Band Division. Both Grossmont and Bonham Brothers could have won permanent possession of the Sweepstakes Trophy because they have each won the Sweepstakes twice in years past.

Mac Queen To Take Vacation

The Avalon Cafe will be closed for several weeks after the holiday according to William L. Mac Queen. "Mac" with his family will drive to Mexico City, Alcapulco and other interesting places in Mexico. With "Mac" and his wife Carmen will go Mrs. M. E. Chamberlin, his mother-in-law whom they will leave in Mexico City for an extended visit.

Girl Scouts To Stuff Animals

Girl Scout Troop 280 is presently making stuffed animals for the less fortunate children for Christmas this year, announced Sheila Cosby, representative of the group. The stuffed bears, rabbits, etc., will be delivered to various orphanages a few days before Christmas.

Mail Letter To Santa Now

Boys and girls, who are making up their letters and lists of toys they want Santa Claus to bring Christmas Eve, can mail those letters now at the special North Pole mail box in front of the Valentine House, 7057 University Avenue.

Dr. Nicholl Attends Seminar

Dr. Calvin Nicholl, Lemon Grove Optometrist attended the annual Optometric Extension Program Seminar at the San Diego Hotel last week. Principal speaker was Dr. A. M. Skeffington who covered the importance of vision in the speed of today along with other visual problems in industry and school. The seminar was held December 2 and 3.

VENDEE: Betty M. Baker for San Diego Loan and Finance Corp. 202 Spreckles Bldg. San Diego 1, California Published in the Lemon Grove Review December 11, 1952.

Helix Presents Strong Quintet

With the 1952 football season wrapped up and stored away, attention at Helix High has turned to basketball and Ken Maynard is coaching the Class B quintet.

The Highlanders already have several games on the 1952-53 basketball agenda tucked away with plenty more to come. The season opened with Helix opposing Julian. On November 25, it was the Highlanders against Coronado, while on the 26th Helix fought Fallbrook.

Last year the Highlanders won 16 out of their 23 games. Other feats were the consolation championship of the Southern California Tournament, sponsored by Kiwanis clubs, and stunning 46-33 upset of strong San Diego. This year's club hopes to do as well. Varsity standouts are likely to be centers Jerry Hurst and Dale Paquin, forwards Bill Conlee, Stan Davies and Larry Williams, and guards Ernie Merk, Richard Herrera, and Jerry McGue. Coach Ken Maynard's team is counted on for a lot of top play in preliminary games. Richard Stillings, Jim Hutchins,

Bob Boney, Tom Bailey, and Ray and Christmas include: Dec. 12, West have been top-notch per- at Oceanside; 3 p. m. Dec. 18, 19, formers for the Bees. Games on 20, 22, Kiwanis Southern California Helix schedule between now and Tournament; 5 local gyms.

For a Merry Christmas and a Safe New Year

Now... a glamorous new car to make the highway safer for you and your family!

New '53

Kaiser

World's first
safety-first car

Safety-First Steering... dependable Curve-Master Steering with center-point balance, keeps you directly in control at all times.
Safety-First Chassis... strongest-braced body and frame, with the lowest center of gravity of any American car!
Safety-First Bumpers... sturdy wrap-around bumpers equipped with Neva-Lok bumper bridges! You can't lock bumpers in a Kaiser!
Safety-First Brakes... self-centering, oversized brakes with almost twice the average brake lifetime—plus more stopping power!
Safety-First Vision... largest glass area in any standard sedan. E-Z Eya tinted glass (optional at extra cost).
Safety-First Power... most powerful high compression (7.3 to 1) Superonic Engine Kaiser ever built!
Safety-First Lighting... oversized 3-directional tail lights... plus new safety trunklight.
The World's Safest Front Seat... commended by Parents' Magazine! Exclusive with Kaiser! Safety-Mounted Windshield, designed to push outward upon impact. Padded Instrument Panel. Slant-back corner seats—no "blind spots".

See it at your nearest Kaiser-Frazer dealer!

MIL'S MUSINGS

Continued from page 1

but one final check was necessary. This was in the form of automobile counting machines that were in operation for two days. As yet, however, no stop signs.

A golden opportunity awaits someone who can serve food and drink to 1000 men "hungry for a snack and thirsty for a drink of pop" working on the Lomita Heights project. This we are told by a wholesale truck driver of such items who was flagged down one afternoon last week by a foreman that had been driven to despair over the lack of a nearby lunch counter. Unfortunately he stopped the wrong man. Having no retail handlers license, the driver said he would pass the word along for the frustrated builders.

Didja Know Dept.: Lemon Grove has had 3 1/4 inches of rain so far.

The day before yesterday when a prospective customer asked the variety store clerk what a fast color is, we heard the clerk reply, "one that runs faster than the others."

Attorney Hussey listened to a client condemn unification. "I voted against it because unification is un-American," he averred. "Reason I decided against it is that teachers should be allowed to work as they wish instead of being required to join the union like they would if unification passed."

Teeners Club

By Pat Farrell

The Teeners club is a newly organized group composed of Lemon Grove teenagers. The meetings are held every Tuesday night from 7:30 to 10 p.m. Refreshments and dancing are held after the meeting.

The club is sponsored by Bob Baker of Bakers Jewelry store. Present officers are President, Ted Funk; Vice President, Dick Secord; Secretary, Jean Vinson; Treasurer, Kay Kish; Historian, Pat Farrell and Sergeant at arms, Monty Oxborg and Larry Farrell.

Future activities are filling stockings for an orphans home, benefit dance and a snow party. Teenagers who wish to join the club and parents are invited to attend our future meetings.

New Officers For Adventists

The La Mesa-Lemon Grove Seventh-day Adventist church elected lay members to fill offices in the church for 1953.

Heading the slate of officers are: S. Mulder of El Cajon, D. Miller R. Rosengren of National City, F. Webster of Bolando, Dr. G. Brasington of Lemon Grove, Dr. Phil of El Cajon, and Dr. Reiner of Encanto, church elders.

Dr. Brasington is the general superintendent of the Sabbath School with 13 assistants in the adult and children's divisions. E. Johnson of La Mesa is leader of the senior division.

Other church organization leaders are: young people's society, Dr. E. Reiner with 4 assistants; Dorcas welfare society, Mrs. Williams of Lemon Grove; Pathfinders, Mr. D. Mulder of Bolonia; missionary leader, Dr. Phil with 2 assistants; Academy board and church finances, Dr. H. Pfeiffer of La Mesa; and missionary secretary, Mrs. E. Sweeney.

Deacons elected are as follows: N. Trout, Jackson, Lively of Lemon Grove, J. Potter, L. Potter of Spring Valley, M. Grimaldi, K. Simpson of El Cajon, R. Grant of La Mesa, Zumwalt of National City, and Lindley of San Diego.

Deaconesses are: Shaffer, Meares, Lindley of San Diego, Rosengren of National City, Bradford, Williams, Jackson of Lemon Grove, Freeman, Wilcox of La Mesa, Taylor of Jamul, Couch of Spring Valley, and Harper of Encanto.

Additional officers are: organists, Mrs. Brasington of Lemon Grove, and Mrs. Mulder of Bolonia; choir director, Mrs. H. Weaver; treasurer, Mrs. Patton of La Mesa; clerk, Mrs. Kolpacoff of Lemon Grove; and publicity, Mrs. J. Hilliard.

BOB BROWNE GUEST Continued from page 1

Physics.

After short lectures we were taken to the aircraft firing range to witness live rockets in action. The four types fired were the Tiny Tim, Ram, Hoy Moses and the Mighty Mouse.

Commander Amen, the first Navy pilot to shoot down a Russian Mig 15, fired the most impressive and deadly group of 12 Mighty Mouse rockets. This new jet fighter never faltered as the rockets left the plane at super-sonic speed and hit the target with force and noise that it made one think he were in Buck Rogers times. The Mighty Mouse rocket can destroy or cripple any plane flying today.

At one test range we witnessed an explosive rocket head blow a hole thru a six inch thick piece of armor steel. The answer to that blast was we can penetrate and stop any armored tank in the world today.

The Mighty Mouse is an outstanding weapon development by the military - industry team of N. O. T. S.

College students working at N. O. T. S. can attend nine classes to gain more credits toward the degree they are working for. For outstanding students that need help, fellowships are awarded for leading colleges. (See the ed. for more info.)

After two days of being shown this vast secret laden station members of the press, TV, and radio were satisfied to know the people of this country have at their command this quiet group of scientific, technical and modern facility to give our fighting men the best rockets in the world.

Captain P. D. Stroop, commanding officer, and his staff extended every courtesy to our group while aboard NOTS. Our impression of NOTS, was much greater as we circled the 1,000 square mile station in Admiral Baker's transport on our return to San Diego.

Grove School Xmas Pageant

Tickets are now on sale for the Annual Christmas Pageant to be presented this year by the Music and Art departments of Lemon Grove School at Monterey Heights School December 17th and 18th. More than 150 students from the Fifth Grade through the Eighth Grade will take part including the school orchestra, the Senior Glee Club, the Junior Glee Club, the Vocal Ensemble, Candle Bearers a group organized especially for this performance, and a cast of characters.

Miss Elizabeth Robbins, Lemon Grove's talented art teacher, has designed a beautiful and impressive setting of the Nativity Scene which is now under construction in her art classes. Miss Robbins is also in charge of the costumes and the direction of the cast of characters, who are: Mary, Mary Conlee; Joseph, Lee Rind; The Three Kings, Jerry Waddle, Byron Cannon and Ellis Edenfield; Shepherds, Joe Connolly, Harvey Walker, Tom Phillips, Charles Bleasline, Fred Hawkins, Ernest Chambers and Orin Edwards; Elections, Sandra Waggoner and Pat Frates; Properties, Kenneth Smith.

Deacons elected are as follows: N. Trout, Jackson, Lively of Lemon Grove, J. Potter, L. Potter of Spring Valley, M. Grimaldi, K. Simpson of El Cajon, R. Grant of La Mesa, Zumwalt of National City, and Lindley of San Diego.

Deaconesses are: Shaffer, Meares, Lindley of San Diego, Rosengren of National City, Bradford, Williams, Jackson of Lemon Grove, Freeman, Wilcox of La Mesa, Taylor of Jamul, Couch of Spring Valley, and Harper of Encanto.

Additional officers are: organists, Mrs. Brasington of Lemon Grove, and Mrs. Mulder of Bolonia; choir director, Mrs. H. Weaver; treasurer, Mrs. Patton of La Mesa; clerk, Mrs. Kolpacoff of Lemon Grove; and publicity, Mrs. J. Hilliard.

BOB BROWNE GUEST Continued from page 1

Physics.

After short lectures we were taken to the aircraft firing range to witness live rockets in action. The four types fired were the Tiny Tim, Ram, Hoy Moses and the Mighty Mouse.

Commander Amen, the first Navy pilot to shoot down a Russian Mig 15, fired the most impressive and deadly group of 12 Mighty Mouse rockets. This new jet fighter never faltered as the rockets left the plane at super-sonic speed and hit the target with force and noise that it made one think he were in Buck Rogers times. The Mighty Mouse rocket can destroy or cripple any plane flying today.

At one test range we witnessed an explosive rocket head blow a hole thru a six inch thick piece of armor steel. The answer to that blast was we can penetrate and stop any armored tank in the world today.

The Mighty Mouse is an outstanding weapon development by the military - industry team of N. O. T. S.

College students working at N. O. T. S. can attend nine classes to gain more credits toward the degree they are working for. For outstanding students that need help, fellowships are awarded for leading colleges. (See the ed. for more info.)

After two days of being shown this vast secret laden station members of the press, TV, and radio were satisfied to know the people of this country have at their command this quiet group of scientific, technical and modern facility to give our fighting men the best rockets in the world.

Captain P. D. Stroop, commanding officer, and his staff extended every courtesy to our group while aboard NOTS. Our impression of NOTS, was much greater as we circled the 1,000 square mile station in Admiral Baker's transport on our return to San Diego.

New Super Market Between La Mesa And El Cajon

Plans for a multi-million-dollar food market and shopping center in the La Mesa area were announced today jointly by Food Basket and Percy H. Goodwin Company.

Gerald A. Aves, Food Basket President, and Ewart W. Goodwin, owner of Percy H. Goodwin Company, said the development will be located on a 6½-acre tract at the southwest corner of the eastern intersection of El Cajon Blvd. and La Mesa Blvd., near the foot of Grossmont. Work on the first stage, a 2½-acre Food Basket supermarket, will start immediately. The other four acres will be developed in the course of the next year. The new Food Basket supermarket will be open by May 1.

Aves said the Food Basket unit will represent an initial investment of more than \$650,000 and will be one of the largest food markets in Southern California. The two-level building will contain 28,000 square feet and will extend over more than one-half acre. It will adjoin two acres of paved, fully-lighted parking area.

An unusual feature is a plan for a small park-like area at the intersection of Highway 80 and La Mesa Blvd. to beautify the eastern entrance to La Mesa.

The new Food Basket will employ 75 to 100 persons and will have an annual payroll exceeding \$350,000, Aves said.

Goodwin's firm, which represents the owners of the land, Frank R. and Mae Brown, will supervise construction of the building, handle leasing, and arrange financing. H. Louis Bodmer is architect of the new Food Basket, which will be built by Trepte Construction Co. Financing has been arranged by Goodwin with Connecticut Mutual Life Insurance Co.

"There is a present population of 75,000 persons within a 3½-mile radius of the new shopping center," Goodwin said. "In addition, 2,500 new homes are under construction in the immediate area. Completion of the Second Barrell will bring additional water supplies to the area. All in all, our surveys indicated that the region around this development has the brightest immediate potential of any area in San Diego County."

Aves said that Food Basket, as a business wholly owned in the San Diego area, is particularly interested in bringing new development to the community. Food Basket started in San Diego in October, 1949, when the first supermarket was opened in College Center at El Cajon and College. The second store, in Pacific Beach at Garnet and Mission, was opened in February, 1951. Food Basket now employs 150 persons with an annual payroll of \$350,000.

Many unusual features will be incorporated in the Food Basket unit, Aves said. With the first floor devoted to shopping, the second level will house offices, rest rooms, and other facilities. Doors will open automatically in both directions; a play area for children will be provided; and the floor plan will include extra-wide aisles for easier shopping. A bakery will be located on the premises and the store staff will include Mary Morgan, Food Basket economist. Major departments will include groceries, meats, produce, delicatessen, drugs and sundries, and liquor.

Christmas Has Everything

Christmas has everything—hasn't it?

Christmas holds tightly many happy memories, is loaded with joy and good cheer right now, and pierces uncertainties of the future with the bright twinkle of hope.

Christmas lifts you out of your ordinary self and pushes you up into being a person far nicer than you have thought you were.

Christmas opens up friendships more numerous, more delightful and more heart-warming than you knew you had.

Christmas appeals to all five of your senses. Is there any sight lovelier than gaily wrapped gifts, multicolored candles, shiny holly and decorations on a Christmas tree? Isn't there contentment in the fragrant smell of fir balsam in the living room and of spicy odors in the kitchen? Wouldn't the days seem empty without hearing again the universally-loved carols and the laughter of happy children? Isn't self-control overstrained by the taste of festive, tempting foods? And don't we respond to the invigorating touch of the sweet air outdoors and the welcome warmth of home and family within?

It looks like Christmas.

It smells like Christmas.

It sounds like Christmas.

It tastes like Christmas.

It feels like Christmas.

It must be Christmas.

Merry Christmas!

Helix Band In La Mesa Thursday

In response to an invitation from the La Mesa Chamber of

Commerce, the Helix High School Band, under the direction of Mr. Dan Lewis, will give a concert in front of the community Christmas Tree in La Mesa on December 18, at 7:30 p. m.

ONE BY ONE

Did you know that your maturing Series "E" Defense Bonds can go right on earning interest for you? Yes, you now have the privilege of holding those bonds for MORE profit, for as long as ten more years. So, if you don't need the cash right now, you'll be smart to hold on to the Bonds you have... and buy more regularly. Defense Bonds are now even better... more profitable than ever. Besides all the well-known advantages, Defense Bonds now offer a higher interest rate and a shorter maturity. Invest regularly and systematically in Defense Bonds... they're now even BETTER!

MEMO to a busy homemaker

When you manage a household, care for your family and carry your fair share of civic responsibilities, time becomes important in your life. It may seem a minor thing—to call a number of friends and inform them that next week's club meeting will be at Jane's home instead of Ruth's. But even such a minor chore takes time. Will you let us give you a time-saving tip? Start a personal number book. You'll be surprised at how much time it will save. And if you check these numbers from time to time—keeping them up-to-date—you'll also avoid the embarrassment of calling wrong numbers.

this free booklet

for keeping local and out-of-town telephone numbers is yours for the asking. Telephone, send a postcard or drop in at your nearest Pacific Telephone business office for your free copy.

GIVE THE
GREATEST GIFT
OF ALL

GIVE SLEEP

Ahhh — what is so good as a "good night's sleep."

And good sleep is what you give — night after night after night of warm, peaceful, relaxing sleep — when you make your Christmas gift a wonderful electric bed-covering.

To prove it — just ask any of the 10,000,000 persons who sleep under an electric bed-covering.

See them — all makes — many styles — many different and beautiful colors — at reasonable prices.

This Christmas give the greatest gift of all — give sleep.
